

5 ACRE WATERFRONT PARK

Proposed Park Plans

The developers of Edgewater Estates are adding to the existing Heritage Park in order to provide residents with a larger and more diverse green space.

While the plans for the park are still being finalized, below are some of the improvements that are being considered by the developers:

- Walking trails that will wind through the woods on the east edge of the park.
- Trails that will provide direct access to the Lake Ontario shoreline where limestone shelf rock offers a natural launch pad for personal canoes and kayaks.
- Informative plaques that will be scattered throughout the park to outline some key features of this historically-rich part of the province.
- Benches that will be strategically placed to take advantage of the stunning views
- Outdoor exercise equipment that will enable residents to get fit while being refreshed by the lakeside breeze.

OTHER ACTIVITIES IN THE AREA

- Loyalist Cove Marina
- Loyalist Golf & Country Club
- Public Tennis Courts in Bath
- Public Swimming Pool in Amherstview
- Loyalist Parkway is one of the most popular cycling routes in Eastern Ontario
- The nearby Glenora Ferry will take you to Prince Edward County & the magnificent beach at Sandbanks Provincial Park
